

Bright Bears Team 2207

Dear Future Sponsor,

Join Team 2207 on our FIRST Robotics Competition journey, inspiring future science and technology leaders. Your support empowers us to design, program, and build a robot to compete in an annual competition with complex challenges, while fostering innovation and collaboration. Contribute to our global mission of promoting STEM passion. Together, let's propel the next generation of leaders and innovators. Your support fuels our success in this exciting season of FIRST Robotics!

What We Represent:

On Team 2207, *Bright Bears*, we're dedicated to cultivating an engaging environment where students (both middle and high school) collaborate with diverse mentors, fostering skills in science, engineering, and technology that fuel innovation. Our program offers exposure to industry-standard tools, methods, and critical thinking, promoting problem-solving and team-building skills. Being part of FIRST Robotics equips our team members with sought-after career skills, ensuring a pathway to success. Join us in shaping the future of innovation and skill development!

Team Organization:

- 23 High School Students
- 40 Middle School Students
- 9 Mentors

Our team is partially funded by White Bear Lake High School, meaning sponsors are instrumental to the success of our student-led team. With your support, Team 2207 can continue to engage, educate, and advance our students in the world of STEM, so they can get the most out of their education.

Your sponsorship allows Team 2207 to do what we couldn't before. We thank you for your time and consideration.

Sincerely,
Bright Bears – Team 2207
